3. [Redacted] Talked further with Bob Young, Senate Judiciary Committee staff, concerning the [Redacted] case. I told him that the Agency just could not put itself in the position of dealing with [Redacted] brother adding that it would be dangerous for both his brother and ourselves if any contact with the Agency became known. Mr. Young said he saw the wisdom of this and was going to continue his efforts to dissuade the brother from going to the Far East.
